Keisei Electric railway Co.,Ltd.

Information

Since April 11 (Sat.), some of the Skyliner trains have been temporarily stopping at Aoto Station. However, starting on June 1 (Mon.), the number of these trains will be increased to 14 trains each for inbound and outbound trains.

The prices of Skyliner Limited Express tickets for the service that operates between Narita Airport Terminal 2·3 Station/Narita Airport Terminal 1 Station and Aoto Station are 1,000 yen for adults and 500 yen for children.

* Separate passenger ticket is required for use.

* The ticket cannot be used for boarding only between Keisei Ueno Station/Nippori Station and Aoto Station.

Furthermore, in consideration of social conditions due to the Novel Coronavirus Disease infection, services of some of the Skyliner trains have been suspended as of May 1 (Fri.). These measures will continue from June 1 (Mon.) for the time being. For details on ticket refunds due to the partial suspension of services of Skyliner trains, please inquire at a sales location.
